

**Give. Advocate. Volunteer.**

Dianna Bradbury runs the Ashtabula County Food Bank which gave over a half million pounds of food to local families last year. Many of those families had never needed help before. Dave Bucci and Dave Iskra help keep the Food Bank operating through their workplace pledges to our United Way. The need for the Food Bank and other local pantries has never been greater. And your support is crucial. When you give to our United Way you help families right here in our community. When you give you will become a champion for issues that need solutions, you will inspire hope, and create opportunities for a better tomorrow.
